

WELCOME TO DEAKIN UNIVERSITY

Deakin University seeks to be recognised as Australia's most progressive university. We aim to do this by ensuring that all our activities are relevant, innovative and responsive.

From our four campuses in Melbourne, Geelong and Warrnambool, Deakin successfully combines traditional values of excellence in teaching and research with an attitude that challenges conventional practices and produces new ways of developing and delivering courses.

Postgraduate courses are offered from graduate certificate to doctoral level, in traditional disciplines such as Arts and Science, in newer fields such as Sport, Environment and Nutrition, and in professional fields such as Accounting, Architecture, Commerce, Engineering, Law, Nursing, Psychology and Teaching.

Deakin's distinctive medical program will contribute to the health and well being of Australians by producing doctors who are fully qualified, broadly skilled and ready to pursue careers as generalists or specialists.

Deakin encourages a vibrant culture of research, working in partnership with government, industry and some of the world's leading research institutions to produce research of distinction with relevance both in Australia and internationally.

The professional orientation of our programs, our numerous and varied partnerships, our rapidly increasing research profile and our innovative use of technology for teaching, make the University a leader in the provision of contemporary education.

I look forward to welcoming you to Deakin University in the near future.

PROFESSOR SALLY WALKER
VICE-CHANCELLOR

USING THIS GUIDE

This Guide provides you with an introduction to Deakin University – the range of courses it offers, the support services you'll receive and an insight into life as a Deakin student.

It is designed to be read in conjunction with the website at www.deakin.edu.au. This website has more comprehensive course and fee information including details of new courses, more detail about our staff, campuses, services and facilities as well as the support available to you.

You can apply online for a Deakin course, track the progress of your application and accept your offer at www.deakin.edu.au/apply.
